THE RULES OF THE GAME

1) Look for your name under **Group 1-10**. That will be your group number through December, 2023.

2) Look at the Schedule, under **Group** Col. are the group numbers. Find your group number and highlight it.

3) Look at the dates under the **Month** column. Wherever your group number, that is a date you are scheduled to count.

4) Place a reminder on your calendar. If you are unable to count, PLEASE find a replacement to switch.

THINGS TO CONSIDER:

A) Trustees can only switch with Trustees. A Trustee must always be present during counting.

B) An * beside a name indicates Trustee.

C) Realistically, 4 Counters are what is needed to count moving the process along quickly and efficiently.
